SOUTH AMERICA BY DESIGN

COT-2026-0160  
04 SEPTEMBER 2026**Dear Segar,**

Attached is the quotation for your five days in San Pedro de Atacama — **Tuesday 22 to Saturday 26 December**, for the four of you: six excursions and two private airport transfers, read line by line against the December calendar before it reached you. Your hotel and your flights are not part of it — the transfers run to and from whichever hotel you choose, and I will happily quote both.

**\$ You pay the agency in San Pedro directly, in your own name.** Every figure is the operator's own price — nothing added, no commission taken out, and Tourevo never holds your money. On confirmation I introduce you by name to the person who runs your week; they issue the invoice and your vouchers. I stay your contact throughout either way.

**TOTAL · 4 TRAVELLERS****Programme CLP 2,320,000 + all park entrance fees CLP 324,000****CLP 2,644,000****CLP 661,000 per person · to confirm, the agency needs CLP 1,212,000 — 40% of the programme plus the park tickets they must buy in advance****⚠ SUBJECT TO AVAILABILITY**

Nothing here is held until the agency has your confirmation — not the vehicles, not the excursion places, not the park tickets for the 24th and 25th. **December is the busiest month of the year in San Pedro** and those two dates are the hardest in it: the diary closes early, and for everyone at once. If it closes first, we do not get these dates back — we would be going to a different operator, at a different price, and the week in the attached document would not be the week you get.

And confirming early costs you nothing: the operator returns **the whole deposit** on any cancellation made 90 days or more out — on or before **23 September** for these dates. Say yes now and the week comes off the market while your money is still entirely recoverable.

**TWO THINGS I NEED FROM YOU**

1. **Christmas Eve dinner.** You are back in town at 20:30 on the 24th, and in Chile the celebration is that night — kitchens in San Pedro close early or run a set menu booked weeks ahead. Tell me what you would like and I book it the moment you confirm.
2. **Are all four of you adults?** Three of the four parks charge less for under-18s. I have priced everyone as an adult; if that is wrong, the total comes down.

Reply to this and I take the dates off the agency's diary the same day.

*With warm regards,*
